

Attention all K-12 French and English educators!

'The Time is NOW'

Educational Computing Organization of Ontario (ECOO) is excited to be hosting an EdTech virtual conference in August!

We cannot physically gather together, but we can still tackle practical, hands-on and innovative learning for educators designed by educators through webinars and demonstration sessions, panel discussions and chats!

For \$25.00, you'll have 3 days of learning, playing, sharing, and winning cool door prizes and tech swag right from home!

“The only constant in life is change” - Heraclitus

Given our current educational and social realities, this year’s event centres around the theme “The Time is Now.”

We have ALL been using technology in our ‘new classrooms’ and ECOOcamp Ontario will be an event for sharing practices that have evolved over the past 5 months. It will also address issues of equity, wellness, balance and what the future has in store for all learners.

Possible session topics:

- | | | |
|---------------------------------|----------------------------------|-------------------------------------|
| • Fall Model/New Reality Pivot | • Online Classroom Community | • At Home AND At School |
| • Blended/Hybrid Learning | • Virtual Learning Environments | • Planning, Subject Integration |
| • STEAM/ Subject Integration | • Social Media Literacy | • Assessment with tools like Kahoot |
| • Equity, Justice & Anti-Racism | • Digital Literacy | • Plugged/Unplugged Makerspace |
| • Reconciliation, FNMI | • Global Competencies / SDGs | • Inquiry & Project-Based Learning |
| • Wellness, Teacher self-care | • A/Synchronous Learning | • Digital Pedagogy |
| • Body Breaks | • Coding and Robotics | • Online Tools (Bitmoji / Flipgrid) |
| • Social-Emotional Learning | • Breakout Groups for Discussion | • Curated Collections |
| • Engaging/Supporting Parents | • Purposeful Pedagogy | • Choice Boards |

REGISTER for ECOOcamp Ontario

Looking at the list of ideas above and thinking you have something to share? We would love to hear about it! Presenters attend for free!

Registration codes will be sent once the schedule has been set.

Deadline for proposals: July 24, 2020
